

NOSTALGIA STAGE 2 426 HEMI HEAD

***The Hottest new Nostalgia Nitro Hemi head
from AJPE!***

The AJPE team has redesigned & updated the legendary Stage 2 T/F cylinder head to fit today's Nostalgia Top Fuel platform. Made from 6013 "power plate" the AJPE Stage 2 Nostalgia Nitro cylinder head is the latest choice for racers building engine combinations with large port volumes.

***AJPE SETS THE PACE ONCE AGAIN WITH
ANOTHER 21ST CENTURY
NITRO CYLINDER HEAD DESIGN!***
